ABOUT ME

I am a student at MCAST Institute of the Creative Arts (Mosta). I completed the Advanced Diploma in Art & Design Level 3–4 and I am currently studying for my Bachelor's Degree in Graphic Design Level 5. I have strong skills in visual communication, branding, and digital design, and I am a creative, motivated, and detail-oriented person interested to apply my knowledge in real-world projects.

HOBBIES AND INTERESTS

Art and Digital Media

I have experience in different types of media and techniques like graphite pencils, colouring pencils, pens, markers, chalks and charcoals, and painting mediums such as acrylics and oils. Since Adobe Photoshop and Illustrator provide a wide range of features and tools that make it simple to produce great designs fast and effectively, I also have skills using digital media. From retouching and picture manipulation to typography and illustration.
